

Activity Report

YVNR Government Degree College, Kaikalauru
Swachha Andhra – Swarna Andhra (SASA) Activity
Date: 15-11-2025 (Third Saturday of November)

1. Organizing Committee

- **Principal:** Dr. Y. Sreelatha
- **Vice Principal:** Dr. A. Kedari
- **NSS Coordinator:** Dr. M. Vijaya Kumar and SASA Committee members
- **Youth Red Cross (YRC) Coordinator:** Dr. M. Hariprasad
- **Faculty Members and Students**

2. Objectives of the Program

- To promote **personal and community hygiene** among students and local community members.
- To encourage healthy practices through **handwashing demonstrations**.

- To create awareness on **health, cleanliness, and sanitation** as part of the **Swachha Andhra – Swarna Andhra (SASA)** initiative.
- To inculcate social responsibility and active participation in cleanliness drives.

3. Program Activities

a) Awareness Session on Personal & Community Hygiene

Faculty members and coordinators conducted an interactive awareness session emphasizing:

- Importance of cleanliness in preventing diseases.
- Safe water usage and sanitary practices.
- Maintaining hygienic surroundings both at home and in the community.
- Role of students in promoting hygiene in society.

b) Handwash Demonstration

A practical demonstration was organized to teach students the **seven steps of proper handwashing**. NSS volunteers and YRC members participated actively, guiding fellow students and community attendees.

c) Administration of the Swachhta Pledge

All participants took the **Swachhta Pledge**, committing themselves to maintain cleanliness in their surroundings and act as ambassadors of hygiene.

d) Community Interaction

Students interacted with community members near the college premises, spreading awareness on:

- Waste segregation
- Proper disposal of plastics
- Importance of regular handwashing
- Maintaining personal hygiene to prevent seasonal infections

4. Participation

- Active participation from **faculty members, NSS volunteers, Youth Red Cross members, and students**.
 - Coordinated efforts ensured successful execution of all scheduled activities.
-

5. Outcome

- Enhanced understanding of hygiene practices among students and local community members.
- Strengthened community responsibility and environmental consciousness.
- Promoted the values of **Swachha Andhra – Swarna Andhra** through collective participation and awareness building.

6. Conclusion

The SASA activity held on **15-11-2025** at YVNR Government Degree College, Kaikalaury, was successful in reinforcing the importance of personal and community hygiene. The program contributed significantly to health awareness and cleanliness culture among students and the community.
