Y.V.N.R. Government Degree College, Kaikaluru, organized a **Swachh Andhra – Swarna Andhra (SASA) Programme** on **22nd August 2026** at **11:00 AM** onwards with the theme **“Sanitation and Cleanliness Activities.”**

The programme was conducted under the guidance of the **Principal, Dr. Y. Sreelatha**, and the **Vice-Principal, Dr. G. Nagarjuna**. **Dr. M. Vijaya Kumar**, NSS Coordinator, coordinated the programme with the active support of **Dr. R. Jalababu**, IQAC Coordinator, faculty members, NSS volunteers, and students.

The programme aimed to create awareness among students about the importance of **personal hygiene, sanitation, cleanliness, and proper waste management.**

Faculty members and students actively participated in various cleanliness and awareness activities conducted on the college campus.

Activities Conducted

1. Handwashing Awareness:

Students were educated about the importance of proper handwashing practices for maintaining personal hygiene and preventing the spread of diseases.

2. Wet and Dry Waste Segregation:

Awareness was created regarding the segregation of waste into **wet waste and dry waste**. Students were encouraged to follow proper waste disposal practices and promote the principles of **Reduce, Reuse, and Recycle**.

3. Classroom Cleaning:

Students and faculty members actively participated in cleaning classrooms and maintaining a neat and hygienic learning environment.

4. Campus Cleaning:

A cleanliness drive was conducted throughout the college campus. Students collected waste and cleaned the surrounding areas to promote a clean and healthy environment.

5. Awareness on Sanitation:

The importance of maintaining clean surroundings, proper disposal of waste, and adopting hygienic practices in daily life was emphasized.

The programme received enthusiastic participation from the students and faculty members. The activity helped create a sense of **social responsibility and environmental awareness** among the participants.

The **Swachh Andhra – Swarna Andhra Programme** was successfully conducted with the collective efforts of the Principal, Vice-Principal, NSS Coordinator, IQAC Coordinator, faculty members, and students. The programme reinforced the message that **cleanliness and sanitation are essential for building a healthy, sustainable, and prosperous Andhra Pradesh**.

Outcome of the Programme

The programme helped students to:

- Understand the importance of personal hygiene and handwashing.
- Learn proper segregation of wet and dry waste.
- Develop the habit of maintaining clean classrooms and surroundings.

- Create awareness about environmental sanitation.
- Develop a sense of responsibility towards a **Clean Andhra and Swarna Andhra**.

The programme concluded successfully with active participation and cooperation from all the participants.
