STUDENTS & FACULTY EXCHANGE PROGRAMME

July 14th 2022 to July 20th 2022

DEPARTMENT OF ZOOLOGY

STUDENT AND FACULTY EXCHANGE PROGRAMME

A BRIEF REPORT

Student and Faculty Exchange offer students a short-term experience for few days. Exchange programs operate within specific terms of agreement which enable students to provide the knowledge, while teaching, or pursuing studies in a host institution. Student exchange programmes enable students is both exciting and terrifying. They will be sure to experience a brand new culture, meet new people and grow as a person. Every student's experience is different, but the one thing they have in common is that the experience is a memorable one. Student exchange programme will enrich student's life - both academically and personally. They can use this as an opportunity to experience different methods of teaching and find out what type of learning is best for you. Exchange programs make you adaptable, take you out of your comfort, help you make global connections and help you build a global network

BENEFITS OF FACULTY EXCHANGE

- Expansion and extension of professional networks.
- Expansion of employment pool of considerations.
- Expansion of possible scholarly collaborations.
- Opportunity to gain familiarity with topics concerning specific regions.
- Opportunity to conduct cross-cultural field work; opportunity to author, or co-author cross-cultural studies.
- Opportunity to lecture to present on topics or research findings before audiences differently diverse than one's national, cultural, or pedagogical origin.

Y.V.N.R.Government Degree College, Kaikaluru, Eluru District got the opportunity to send the delegation of 30 students and five lecturers to Sir C R Reddy College, Eluru, West Godavari District.

Second year students of MPC and BZC programmes along with the following faculty participated for one week i.e., from 14th July 2022 to 20th July 2022.

The gracious Management, Principal and staff of Sir C R Reddy College received the delegation team from Y.V.N.R.Government Degree College, Kaikaluru. The students of Y.V.N.R.Government Degree College accompanied by Dr.K.A.Emmanuel,(Chemistry), Dr.P.Paul Divikar (Physics), K.Ramesh (Chemistry) Dr.V.Sandhya (Zoology) and Smt.Sujana Vesli (Botany). An inaugural function is conducted by Sir C R Reddy College, Dr.K.S.Vishnu Mohan(MS-Ortho) and Dr.K.A.Ramaraju, Principal addressed the gathering.An ice breaking programmes were conducted by Dr.K.A.Emmanuel and Dr.P.Paul Divakar for the students and teachers made to bring them closer and understand each other in a better way.

The entire one week schedule was well formulated with activities related to practical work and facilitated an experiential learning about the research culture.

Dr. V.Sandhya, HOD Zoology, Y.V.N.R Government Degree College, K.Visweswara Rao, HOD Zoology, Lt. M Naveen Kumar, Lecturer in Zoology and P.Bhagya Latha, Lecturer in Zoology of Sir C R Reddy College engaged the students in Zoology classes and practical work.

The practicals in Zoology covered are:

- 1) Identification of various Biomolecules of tissues by simple colorimetric methods and also quantitative methods
- 2) DNA quantification using DPA Method, Western Blot and Southern Hybridization
- 3) Determination of blood groups and other immunological tests

The group enrolled on a joyful journey of experiencing food, different colours of Eluru. This programme was a milestone in our personal and professional journey of knowing each other's college and people. This report cannot be concluded without mentioning the unstinted support and involvement of Management Principal, Staff and students of Sir C R Reddy College for taking extra care about the delegation from Y.V.N.R. Government Degree College, Kaikaluru.

We wish relationship between Y.V.N.R. Government Degree College, Kaikaluru and Sir C R Reddy College to grow from strength to strength with each passing year.

This programme is conducted to fulfill **3.7.1 of NAAC guidelines**.
