STUDENT AND FACULTY EXCHANGE PROGRAMME

A BRIEF REPORT

Student and Faculty Exchange offer students a short-term experience for few days. Exchange programs operate within specific terms of agreement which enable students to provide the knowledge, while teaching, or pursuing studies in a host institution. Student exchange programmes enable students is both exciting and terrifying. They will be sure to experience a brand new culture, meet new people and grow as a person. Every student's experience is different, but the one thing they have in common is that the experience is a memorable one. Student exchange programme will enrich student's life - both academically and personally. They can use this as an opportunity to experience different methods of teaching and find out what type of learning is best for you. Exchange programs make you adaptable, take you out of your comfort, help you make global connections and help you build a global network.

BENEFITS OF FACULTY EXCHANGE

- Expansion and extension of professional networks.
- Expansion of employment pool of considerations.
- Expansion of possible scholarly collaborations.
- Opportunity to gain familiarity with topics concerning specific regions.
- Opportunity to conduct cross-cultural field work; opportunity to author, or co-author cross-cultural studies.
- Opportunity to lecture to present on topics or research findings before audiences differently diverse than one's national, cultural, or pedagogical origin.
