-
- **NSS Coordinator:** Dr. M. Vijaya Kumar
 - **IQAC Coordinator:** Dr. R. Jalababu
 - **SASA College Committee Members**
 - **Dr.B.Vedantham and Smt.Y.Gnana Prasunamba**
-

Overview

The "Swarna Andhra - Swachha Andhra" initiative, held on May 17, 2025, at YVNR Government Degree College, Kaikaluru, aimed to promote environmental awareness and public health under the theme "Beat the Heat." The event was a collaborative effort by the National Service Scheme (NSS), Internal Quality Assurance Cell (IQAC), and the Swarna Andhra - Swachha Andhra (SASA) College Committee. It focused on educating the college community and the public about precautions to combat the adverse effects of summer heatwaves, aligning with the broader goals of cleanliness, sustainability, and community welfare.

Objectives

- Raise awareness about heatwave precautions and summer safety measures.
- Engage students and the community through interactive and creative activities.
- Promote the use of technology, such as AI-generated visuals, to enhance awareness campaigns.
- Foster a sense of social responsibility and environmental consciousness among participants.

Activities Conducted

The event featured a series of well-coordinated activities designed to maximize participation and impact:

1. E-Quiz on "Beat the Heat" Awareness

- An online quiz was conducted to educate participants about heatwave prevention and summer safety.
- **Participation:** Nearly 200 students, faculty, and community members participated.
- **Outcome:** All participants received e-certificates for their involvement, encouraging widespread engagement.
- The quiz covered topics such as hydration, heatstroke symptoms, and protective measures during extreme heat.

2. College Posters on Summer Precautions

- The NSS and SASA Committee designed and displayed posters across the college campus.
- These posters highlighted practical tips for beating the heat, such as staying hydrated, wearing light clothing, and avoiding direct sunlight during peak hours.

3. The visually appealing posters served as an effective tool to communicate essential safety messages to the college community.

PRECAUTIONARY MEASURES TO **BEAT HEAT WAVE**

Stay **hydrated** by drinking **plenty of fluids** even when you are not feeling **thirsty**

Stay **away** from drinks that contain **caffeine** and **alcohol**

Wear **loose-fitting** & **light colored** clothing

Stay **indoors** & **avoid** strenuous exercise during the **hottest part** of the day

Take frequent **breaks** if you must **work outdoors**

4.

5. AI-Generated Images on "Beat the Heat" by the students

- Students, under the guidance of faculty, created AI-generated images to depict the theme of heatwave awareness.
- These images showcased creative visualizations of summer safety measures, blending technology with social messaging.
- The activity encouraged students to explore innovative tools like AI for educational and awareness purposes, fostering both creativity and technical skills.

Key Highlights

- **High Participation:** The e-quiz saw enthusiastic participation, with nearly 200 individuals actively engaging in the learning process.

- **Community Impact:** The posters and AI-generated images reached a wide audience, reinforcing the importance of heatwave precautions.
- **Technological Integration:** The use of AI by students highlighted the college's commitment to embracing modern tools for social good.
- **Leadership and Coordination:** The event was seamlessly executed under the leadership of Principal Dr. Y. Sreelatha, NSS Coordinator Dr. M. Vijaya Kumar, IQAC Coordinator Dr. R. Jalababu, and other SASA Committee members.

Outcomes

- **Increased Awareness:** Participants gained valuable knowledge about heatwave safety, which they could share with their families and communities.
- **Skill Development:** Students honed their creative and technical skills through poster design and AI image generation.
- **Community Engagement:** The event strengthened the bond between the college and the local community, aligning with the Swarna Andhra - Swachha Andhra mission of cleanliness and public welfare.
- **Recognition:** E-certificates motivated participants and acknowledged their contribution to the awareness campaign.

Conclusion

The "Swarna Andhra - Swachha Andhra" event on May 17, 2025, was a resounding success, achieving its goals of raising awareness about heatwave precautions and engaging the college community in meaningful activities. The collaborative efforts of the NSS, IQAC, and SASA Committee, under the able leadership of Dr. Y. Sreelatha, Dr. M. Vijaya Kumar, and Dr. R. Jalababu, ensured the event's impact and reach. YVNR Government Degree College, Kaikaluru, remains committed to organizing such initiatives to promote environmental consciousness and public health.

Recommendations for Future Events

- Expand the e-quiz to include regional languages to reach a broader audience.
- Collaborate with local health authorities to distribute heatwave safety kits.
- Organize workshops on AI tools to further enhance students' technical skills for awareness campaigns.
