Startup Initiative kumkuma making

(Manufacturing to Selling)

05-02-2020

Startup India Scheme is a Initiative by the Govt of India for generation of employment and wealth creation. on the basis of this we are going to innovation of product and service which provides

- 1. Simplification of work.
- 2. Financial support.
- 3. High networking opportunities.

For making kumkuma we require 3 items
Gum Gharwarie; Baking soda and lemon
which is costing Rs. 20/-.

But if they sold for Rs. 5/- each they will
get more than 300/- Because they used to
make out 68 packets so, they earn Rs. 340/-.

So they reduce the Investment amount remaining
is the profit of them.

This plan is given to 2nd B.com Students.
In this they learn manufacturing unit, Production
unit, Purchase unit, marketing unit, Packing unit,
Distribution unit, Selling unit Profitability unit
also soft etc.,

Students are very interested to participate
in it and enjoy learning marketing skill
and earning of Profitability.

Under Best practices we are encouraged our students to enhance their skills in self employment mode so they are very much interested in this work because of financial condition and self respecting nature they interested in to study and learn

- i) managerial skills
- ii) financial skills
- iii) team work nature
- iv) Profitability
- v) Product mixtures etc
